Discover the city through our food!

With the incredible diversity of people in the city, you can imagine the kind of diversity of foods we have. So the Cuisine Route was designed to give guests the chance to explore the city through food. It's a great lense.

Half Day Cuisine Route:

- experience Cape Malay and Loxion (township) Cuisine
- do a short Spice Tour in the BoKaap, following the routes of the people that arrived here from the East
- we follow those spices into some of the Cape Malay foods, such as samoosas, daaltjies and the wonderfully sweet and spicy koesusters. We'll also sample a little bit of curry. This happens in a Bokaap family home
- we then go to Langa or Guguletu to experience the diversity of township cuisine, including steam bread, chakalaka, umngqusho, amagwenya and nyama, and the chisa nyama or hot meat bar culture.

Please note, all optional tours can be booked on arrival in Cape Town.
